Entanglements of Ecological Discourses and Practices

Friday, July 7, 2017, 10.00 – 13.00

Institut für Europäische Ethnologie

Mohrenstraße 40/41, 10117 Berlin, room 107a

The lecture is part of an international workshop „Entangled Sustainabilities“. Regina Römhild (Institut für Europäische Ethnologie) and Walther Zimmerli (Stiftungsprofessur “Mind and Technology”) will introduce the subject of the workshop, the lecture and moderate the following discussion in relation to questions of “Entangled Sustainabilities”.
